

Landcare Australia Community Grants Program 2024 Application Form

Form Preview

Eligibility

* indicates a required field

Before you start your application, please ensure you have read the [Guidelines for the Landcare Australia Community Grants Program 2024](#) to ensure your organisation or group is eligible to apply and your project meets the requirements.

Please Note- Sole traders/ individuals and schools (including PnC) are NOT eligible to apply.

Applications close at **5pm Friday 20 September 2024** (late applications will not be accepted).

See the [Grant Guidelines for more information.](#)

How the application form works

Saving

The application form **does not autosave**. You will need to press the save button regularly to avoid losing your progress. **You can save your responses and come back to them later.**

Tables

You can add more rows to a table by clicking [+] on the right-hand side of the table, and remove rows (empty or not) by clicking [-].

Word limits

Some text boxes have word limits. You will not be able to submit your application until your response is below the word limit for that question. SmartyGrants will tell you if you've gone over.

Are you applying on behalf of a landcare group or community groups across Australia that embrace the landcare ethos? *

- ☐ Yes
- ☐ No

Unfortunately, you are not eligible to apply for this grant round.

The Landcare Australia Community Grants program is open to all landcare and community groups across Australia that embrace the landcare ethos, including Landcare, Bushcare, Dunecare, Coastcare and "Friends of" groups Traditional Owners and First Nations organisations, youth environmental groups and networks (ages 18+).

Must be a date and no earlier than 18/10/2024.

Project End Date *

Must be a date and no later than 31/7/2025.

Project Site Location *

Address

Landcare Australia Community Grants Program 2024 Application Form

Form Preview

Suburb/Town, State/Province, Postcode, and Country are required. Country must be Australia
If you have more than one site, please select the most relevant.

Please describe the project site: - Location - Site description (e.g. highlighting any areas of environmental/ cultural significance, site history, issues or impacts on the site, topography, adjacent land use, directly fire affected etc.) *

Word count:

Must be no more than 150 words.

Project Site Size (ha) *

Must be a number.

Please approximate the area of your project. If no on-ground works are being undertaken please write zero (0).

Project Details

* indicates a required field

Project Objectives

In the questions below, please describe the project outcomes and why this work needs to be done. Project objectives are what your project is planning to achieve and will be reported on at the completion of your project.

Consider:

- Why it is important?
- What are your objectives for this project?
- How will you achieve the project objectives? (e.g. engaging volunteers, professional/ technical support/advice, collaborating with others, training etc)

Landcare Australia Community Grants Program 2024 Application Form

Form Preview

- Who will be involved in this project? (e.g. existing group members, school students, new volunteers, community, council)

Be SMART

- **Specific** (simple, sensible, significant).
- **Measurable** (meaningful, motivating).
- **Achievable** (agreed, attainable).
- **Relevant** (reasonable, realistic and resourced, results-based).
- **Time bound** (time-based, time limited, time/cost limited, timely, time-sensitive).

Describe the expected social and community engagement outcomes of this project and how they will be achieved: *

Word count:

Must be no more than 200 words.

E.g. Increased group capacity/profile through increased on-ground activities, increased community awareness, engaged Traditional Owners, shared knowledge through community days and online social networks such as [Landcarer](#) etc..

Describe the expected environmental outcomes of this project and how they will be achieved: *

Word count:

Must be no more than 200 words.

E.g. Best practise weed removal (hand/mechanical/most appropriate for area) of 2ha of {name of weeds} of national/local significance by volunteers/contractors to improve native vegetation due to reduced competition with weeds to improve habitat for the state listed threatened species - e.g. grey headed flying fox

In the table below, please list the major outputs that will be undertaken to contribute to achieving your project outcomes.

EXAMPLE:

- **Output Option:** Plants (# Revegetated or Propagated)
- **Output quantity:** 500
- **Activity description:** *'Planting 500 native plants at the project location with members of the local landcare group.'*
- **Expected completion date:** 25th July 2025

Please fill in a maximum of 5 activities.
